Re: Account of Sidney S. Penner
[illegible]4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1940 seed grain amounting to $63.00 was advanced to Sidney S. Penner on the security of the above mentioned land. No payment has been received and the present standing of this account is:-

Principal	Interest	Total
$ 63.00	$ 140.20	$ 203.20

The N.W. 16-28-11-W4 was formerly the homestead entry of Sidney S. Penner on which security he obtained an advance of seed grain in 1940. His entry was cancelled on the [illegible] f November 1944.

In reply to our [illegible] of the 15th of January [illegible], J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This parcel is unalienated crown land which is covered at present by a long term grazing lease issued by this department. This land is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land no longer offers any security of value and is such that it cannot be used for farming [illegible], it is recommended that the indebtedness be cancelled.

C.F. Sinclair.
